

We equip you with the right skills to achieve your goals

For over 30 years, Sureway Employment & Training has been providing training and employment services. We are experts in providing assistance to anybody who wants better opportunities in the workforce.

Your Transition to Work journey

Our Transition to Work program is designed for Participants aged 15-24 years. We are committed to understanding your goals so together we can create an individualised employment Pathway Plan that connects you to local community, education, training, and employment opportunities.

You will have choice and control over your activities, and our team of highly skilled and caring individuals will provide guidance and support the whole way through.

Steps in your journey

What you can expect

Once you are referred to us or connect directly, we will begin your journey within two business days. You will benefit from regular sessions with us when and where you need us.

- Connect with us in your community, school or at your local Sureway office
- Talk to us on the phone, webchat, email, and SMS
- Visit our website and Facebook page
- Access our 24/7 Participant Portal

Assessing your goals

Together, we will explore your goals, strengths and skills. We have a range of tools that will give you a better understanding of yourself including what industries you may be best suited to. We will design your individualised Pathway Plan with you, and you will choose modules from our available courses and community partnerships.

Activating your Plan

Once your Pathway Plan is in place, we will put it into action. This may involve:

- Connecting with local employers and support networks
- Participating in our M8 Mentoring Program
- Resume and cover letter writing
- Work experience, employment opportunities, on-the-job skills
- Life skills, managing your finance workshops, recreational activities
- Overcoming hurdles, managing your health and wellbeing
- Driving and vehicle maintenance workshops
- Skill sets and accredited training in industries with employment opportunities

Support and celebrations

At your weekly check in, we review your circumstances and if necessary alter your Pathway Plan. We prepare you for education, training and work, and negotiate workplace support. You can also contact us if you are feeling overwhelmed or want to run an idea by someone you trust. We celebrate your achievements as they happen so you leave the program feeling empowered and confident in achieving your goals!

You will benefit from our strong local networks

At Sureway, we have been creating and maintaining networks in the Riverland, Murraylands and the Limestone Coast since 2015 with employers, industry bodies, business chambers, schools, training and education organisations, and community support services. We have strong working relationships within:

- Administration
- Agriculture
- Childcare
- Food processing
- Tourism and hospitality
- Retail and customer service
- Hairdressing and beauty services
- Trades – building, electrical, plumbing
- Healthcare – aged and disability care
- Mental health services
- Settlement services
- Local Indigenous communities

Your feedback is important

We encourage you to let us know how we are doing by completing our short surveys about the services and supports we offer, participating in our workshops with other Participants, and by regularly engaging with our Youth Steering Committee. Your feedback helps us understand how we can best support you.
